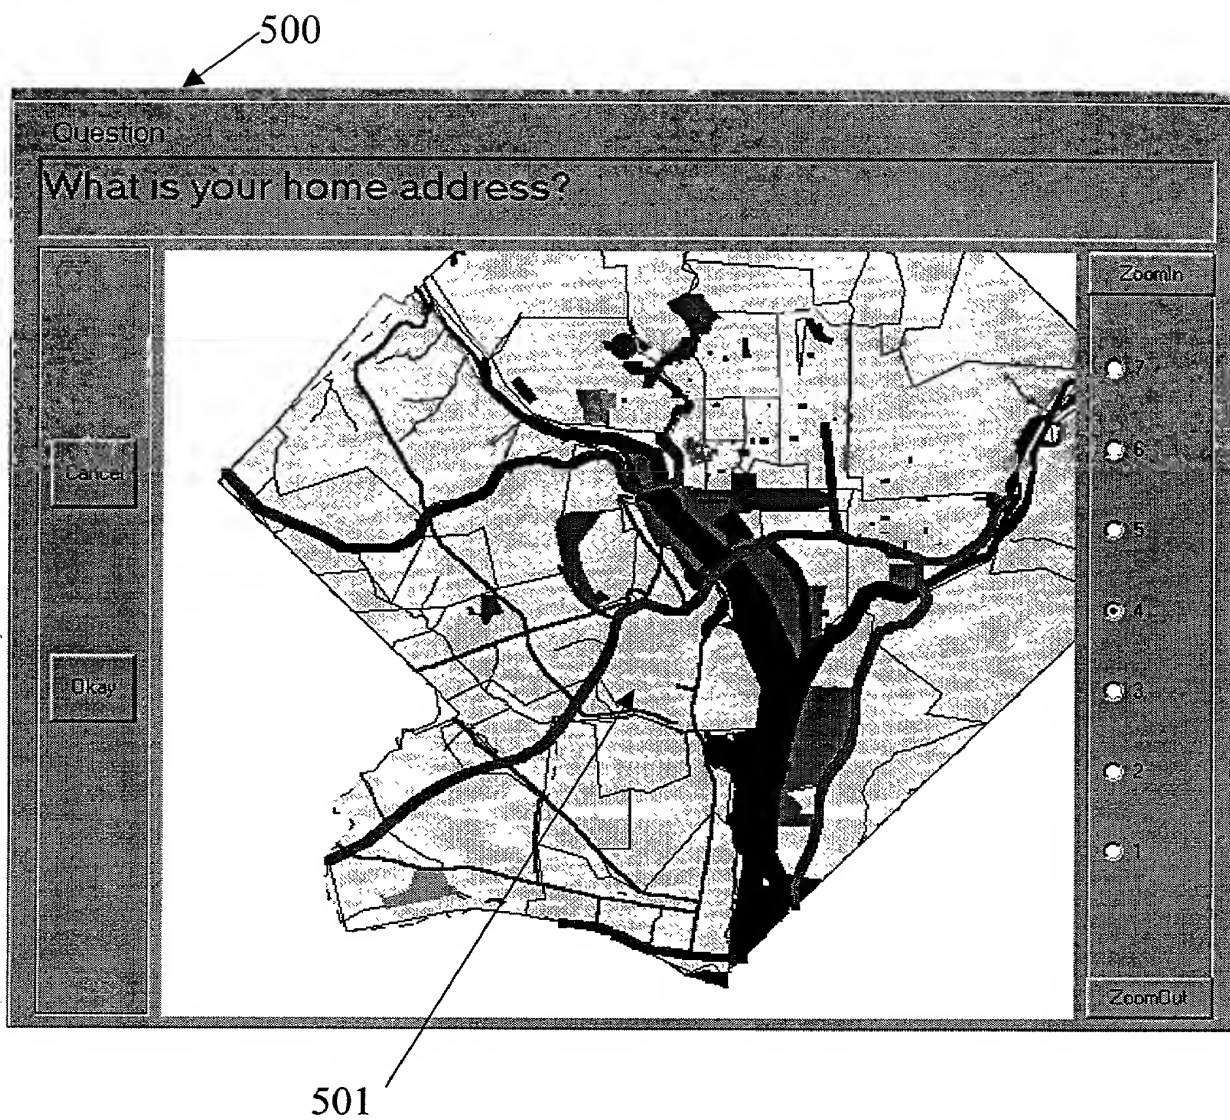

Fig 5

FIG. 6 is a schematic diagram of a computer screen 600 displaying a map 601 and a question 602. The question 602 asks "What is your home address?". The map 601 shows a street grid with a highlighted path. The screen 600 includes a "Cancel" button and an "Okay" button on the left side, and a "ZoomIn" button and a "ZoomOut" button on the right side. The map 601 is a grayscale image of a street map with a highlighted path. The question 602 is a text box at the top of the screen. The screen 600 is a rectangular frame containing the map and the question.
